

A vibrant, cartoon-style illustration of an underwater scene. The background is a deep blue with numerous small, light blue bubbles floating upwards. In the foreground, there is a variety of colorful coral and sea anemones. On the left, there are purple and pink branching corals. In the center, there are yellow and orange branching corals. On the right, there are purple and yellow tube corals. The bottom of the image shows a sandy seabed with some flat, reddish-brown coral discs. The overall style is bright and playful.

**YELLOW WINS!**
